Workplace planning & ordering checklist | 1 of 2

- [ ] **01 Count people and settings**

  List desks, meeting seats, breakout areas and storage needs.

  Helpful tip: Separate current requirements from possible future growth.

- [ ] **02 Map the work people do**

  Record focused tasks, collaboration, visitors and shared settings.

  Helpful tip: Select furniture for the activity rather than matching every room to the same template.

- [ ] **03 Check the measured layout**

  Confirm furniture dimensions, circulation and service positions.

  Helpful tip: Ask your designer or relevant adviser to check the proposed layout before ordering.

- [ ] **04 Audit what you can reuse**

  List existing pieces and their condition, dimensions and compatibility.

  Helpful tip: Include relocation or adaptation costs when comparing reuse with new purchases.

- [ ] **05 Write the specifications**

  Confirm sizes, finishes, mechanisms and required accessories.

  Helpful tip: Record product codes and approved samples so substitutions are visible.

- [ ] **06 Review seating and desk choices**

  Consider the users and the tasks at each setting.

  Helpful tip: Ask about adjustment features, demonstrations and suitability rather than relying on a product photo.

- [ ] **07 Compare complete quotes**

  Check products, quantities, delivery, assembly and installation.

  Helpful tip: Ask each supplier to identify excluded services and charges.

- [ ] **08 Confirm product availability**

  Obtain supplier-specific stock and production information.

  Helpful tip: Check when availability is confirmed and what could change before dispatch.

- [ ] **09 Verify delivery access**

  Confirm loading areas, lifts, doorways and building booking requirements.

  Helpful tip: Assign someone to verify the access plan for large items before placing the order.

- [ ] **10 Coordinate installation**

  Agree site readiness, delivery contacts and access times.

  Helpful tip: Confirm who removes packaging and how existing furniture or occupied areas are handled.

- [ ] **11 Check the received goods**

  Reconcile items, quantities, finishes and visible condition.

  Helpful tip: Record any issue promptly with photos and the supplier reference.

- [ ] **12 Keep the support records**

  Save product details, care instructions and warranty terms.

  Helpful tip: Choose one contact to maintain the furniture register and manage follow-up questions.
