The Newcastle tenant's lease checklist

12 things to check before you sign

DRAFT FOR REVIEW / 14 OCTOBER 2026

Use this checklist with your team and solicitor. Tick each point when you have understood the wording and recorded any question to resolve.

01. Premises and use
Confirm the premises, permitted use and practical access.

02. Starting and finishing
Record commencement, expiry and any conditions before occupation.

03. Option notice
Read the option notice window and how notice must be served.

04. Rent and outgoings
Check whether rent is gross or net and what outgoings add.

05. Rent reviews
Understand fixed, CPI and market rent review wording.

06. Incentives
Document rent-free, landlord works and contributions in writing.

07. Fitout responsibilities
Check who pays for approvals, fitout and building works.

08. Repairs and insurance
Understand maintenance, repair and insurance responsibilities.

09. Make-good
Assess exit obligations and document the ingoing condition.

10. Changes during the lease
Read assignment, subletting, relocation and demolition provisions.

11. Security and signing
Check bank guarantee, security, guarantees and signing authority.

12. Final legal review
Have your solicitor review the final lease against agreed terms.

General information only. Your lease and circumstances need individual legal advice. A Lease Health Check can help organise the commercial questions and next steps.
