xxxx	Revised Item: Changes to specification since last issue are in red font. Contractor is responsible to cross check all changes.
xxxxx	Deleted Item: Items removed from to scope are greyed out. Contractor is responsible to cross check all changes.
xxxx	Item to be Confirmed: Items awaiting approval are highlighted blue. Contractor to cross check prior to ordering.
1 Contractor to advise designer of any discrepancies prior to construction.	
2 This schedule is to be read in conjunction with the supplied drawings.	
3 All drawings, plans and written scope of works prevails on any discrepancies in Schedules.	
4 All images of Furniture, Finishes, Fittings and Equipment are an indicative representation of the real product only.	
5 Contractor / Supplier to provide shop drawings and samples where required for Designer review and signoff.	
6 Contractor / Supplier to ensure all items in schedule are installed to specification and BCA compliance.	
7 This furniture schedule is for use for the above project only & is not to be reproduced for any other purpose.	
8 Lead times are indicative only. Purchaser to check delivery times & details with the supplier prior to ordering to avoid issues with delivery.	
9 Furniture / Equipment quantities listed in our Equipment Schedule are provided as indicative only. It is the sole responsibility of the furniture supplier and contractor to verify all quantities, specifications, and placement by thoroughly reviewing the architectural drawings and any relevant documentation. Davenport Campbell does not accept liability for any discrepancies, misinterpretations, or errors resulting from reliance on the Furniture Schedule alone. Any variations or adjustments must be coordinated directly with the project team before procurement or installation.	

REVISION	DATE	ISSUE TYPE
T1	15.05.26	Issue for Tender
T2	22.05.26	Issue for Tender Addendum
