YOUR OFFICE SPACE / NEWCASTLE NSW

Office cleaning scope pack

Brief, quote comparison & quality-review checklist

01 / BEFORE AGREEING SERVICE

12 checks for a clearer scope.

For Newcastle CBD and Lake Macquarie workplaces. Confirm the actual address and scope with YOS. A site inspection and written proposal establish the service; this is a planning aid, not a cleaning procedure.

- [ ] **01 Map workplace areas**

  Separate your rooms from common areas managed by the landlord or another provider.

- [ ] **02 Describe occupancy and use**

  Record staff, visitors, busy periods and suitable service windows.

- [ ] **03 List tasks by area**

  Identify surfaces and tasks; separate routine, periodic and separately requested work.

- [ ] **04 Agree frequency**

  Discuss the actual visit pattern and priorities after a site assessment.

- [ ] **05 Document inclusions and exclusions**

  Confirm products, equipment, consumables, waste and specialist work responsibilities.

- [ ] **06 Confirm timing and access**

  Record occupied areas, building rules, arrival contact and access-failure arrangements.

- [ ] **07 Agree security arrangements**

  Discuss keys and alarms securely; keep sensitive codes out of this checklist.

- [ ] **08 Flag specific requirements**

  Identify restricted rooms, delicate finishes and needs outside ordinary office cleaning.

- [ ] **09 Compare the same scope**

  Use one schedule revision and compare tasks, frequency and exclusions alongside price.

- [ ] **10 Set the communication pathway**

  Name workplace and provider contacts and the agreed issue/escalation process.

- [ ] **11 Define quality reviews**

  Agree observable task standards, review timing and issue follow-up.

- [ ] **12 Prepare commencement**

  Confirm the final scope, access, contacts, first visit and first review.

02 / TASK & FREQUENCY SCHEDULE

Give each area an agreed standard.

Mark Regular / Periodic / Separate quote / Excluded. Agree actual frequencies after site assessment. Example areas are prompts, not default service inclusions. Copy this page for more rooms.

Site / suburb / scope revision / agreed service window

Area / task or surface	Frequency / status	Expected result / exclusions
Reception / visitor areas		
Workstations / accessible surfaces		
Meeting rooms		
Kitchen / break room		
Washrooms / amenities		
Floors / edges		
Internal glass / detail		
Waste / consumables		
Other / specialist needs		

Landlord / other-provider areas / unresolved scope questions

Brief, quote comparison & quality-review checklist

03 / PROPOSAL COMPARISON

Same schedule. Comparable offers.

Give each provider the same revision. Record Included / Excluded / Allowance / Unconfirmed with a note or amount. Do not compare only the headline price.

Scope or assumption	Provider A	Provider B	Provider C
Regular tasks / visit frequency			
Periodic / detail tasks			
Specialist work / exclusions			
Products / equipment / storage			
Consumables / waste handling			
Access / service windows			
Cover / site notes / handover			
Quality reviews / issue process			
GST / price / change charges			
Commencement / payment / terms			

Clarifications / revised proposal / next decision owner

Keep alarms, access codes and sensitive information outside this general planning record. Agree a secure process with authorised people. Specialist environments require their own scope and competent advice.

Brief, quote comparison & quality-review checklist

04 / REVIEW & ISSUE LOG

Make follow-up visible.

Agree review timing and the escalation process. Record observable tasks against the scope. Keep confidential documents, screens and personal information out of any supporting photos.

Scope revision / review date / workplace and provider contacts

Area / agreed task / issue	Action / owner	Due / confirmed closed

Next review / changed occupancy or scope / commencement notes

YOS commercial cleaning currently covers Newcastle CBD and Lake Macquarie. Timing, scope, access and quality arrangements are confirmed for the site. No codes or passwords should be entered here.
